Liability

Insurance:

We are all aware that we need to protect our company's and organizations from lawsuits and insurance litigation and claims. We all carry liability insurance for our day-to-day business activities. As an exhibitor in the show you have agreed to provide us with a Certificate of Insurance. This is a MUST! Exhibitors will NOT be allowed to set-up without a copy of your certificate on file and there will be no recourse for any monies paid. This has become a "non-starter."

We have made this easy for you with two options:

1. Have your insurance company provide you and then send to us with an additional coverage certificate. Most do this as a service and should not charge you. Please have additional insured listed as:

Recreational Vehicle Dealers Association of Manitoba RVDAMB
503-386 Broadway Ave., Winnipeg, MB

RBC Convention Centre Winnipeg
375 York Ave., Winnipeg, MB

or

2. You can purchase specific show insurance from www.exhibitorinsurance.com. We have made arrangements with them for our show and they are there to help you with any questions and provide you with show coverage. Here is the specific link for our show: <https://www.exhibitorinsurance.com/pub/>

Exhibitor Passes

EXHIBITOR PASS

Exhibitor Passes will be ready for pick-up in the Show Office during Move-In. These passes are multi-entry and are fully transferable to other members of your team. You can choose to wear the pass or have it on your person and be ready to produce it if asked by Security or Show Management. Bulk exhibitors will be given number of passes based on Sq. Ft of display space, Booth exhibitors will be given a maximum of four (4). These are for the use of exhibitors only and NOT for general admission. Show management has the right to confiscate any misuse of these exhibitor passes.

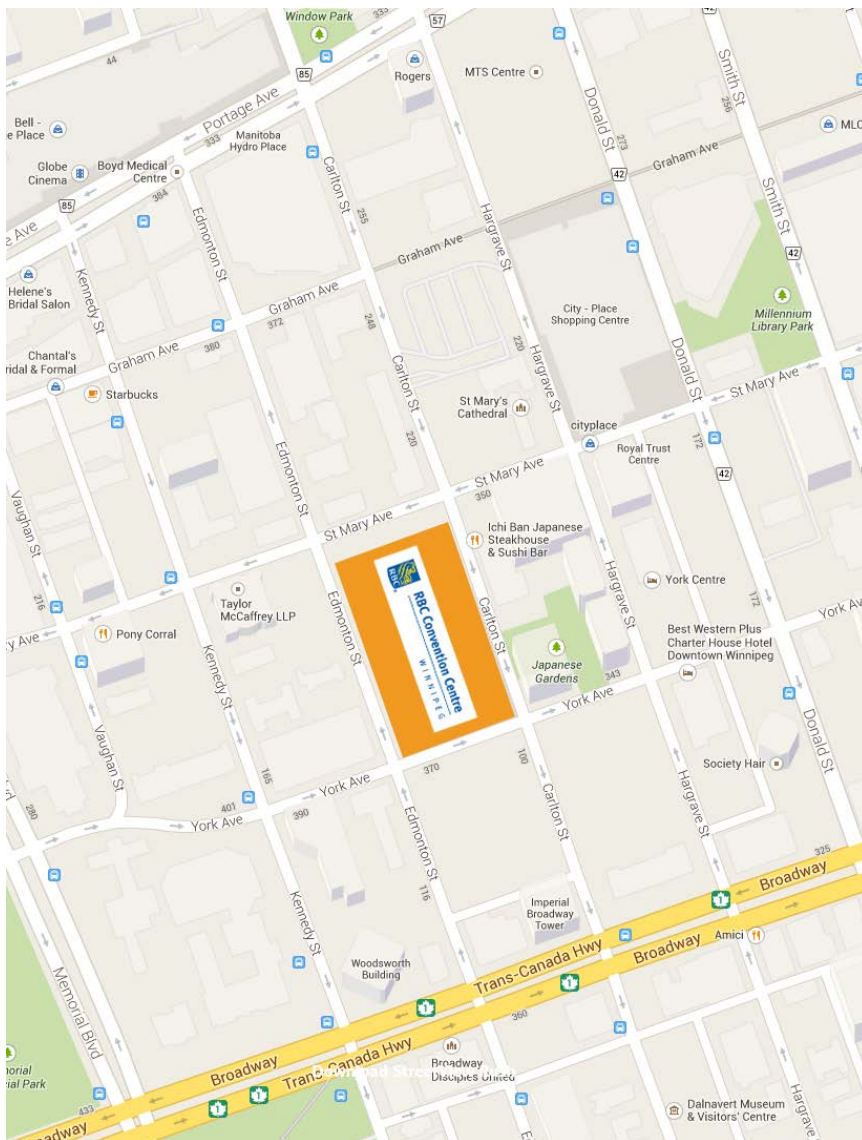

Security will be scanning exhibitor badges with every entry. This is so we can have visibility of use and improve security.

It is your responsibility to distribute the passes amongst your team and any OEM's you have working in your exhibit space. The Show Office, Ticket Sales Booth and Security will not be responsible for holding or distribution of your passes during show time.

During early hours, please use the "Orange" elevator to gain access to the show floor. This will ONLY be operational one hour before the doors open and for one hour after the show closes. Security will be present to keep building secure.
